## N-[4-CYANO-3-(TRIFLUOROMETHYL)PHENYL]-2-METHACRYLAMIDE

|                    |                                                                                     |
|--------------------|-------------------------------------------------------------------------------------|
| Product Category   | Bicalutamide                                                                        |
| CAS No.            | 90357-53-2                                                                          |
| Molecular Formula  | C <sub>12</sub> H <sub>9</sub> F <sub>3</sub> N <sub>2</sub> O                      |
| Molecular Weight   | 254.21                                                                              |
| Structural Formula |  |

【Product Nature】 90357-53-2

## N-[4-CYANO-3-(TRIFLUOROMETHYL)PHENYL]-2-METHACRYLAMIDE

|                    |                                                                                                         |
